

Suncoast Chess Club Open Tournaments Honour List.

The Suncoast Chess club has been hosting open tournaments since 1990. In most years two events were held and the names of all winners are engraved on our gigantic rook trophy which was made for us by the Eumundi Woodcraft (picture). In 1999, the club had the honour of hosting the Australian Open. In 2006, the club only hosted limited rating tournaments capped at 1850, and those winners' names do not appear on the trophy or this list. The club started hosting Opens again in 2010, skipping 2013
